

Operation of TSUHO Support Center EU

At TSUHO Support Center EU, not only do we have in place a report processing function according to the laws and regulations of each country, but we also are equipped with internal screening functions in the form of a verification process that works with the helpline rules of each company, and we support the lawful and valid operation of Japanese companies' helpline systems in the EU/EEA.

⁽¹⁾ TSUHO Support Center and TSUHO Support Center EU have a work consignment relationship with each other.
